Introducing KASKAD

KASKAD is a family of planters that brings modularity, design and elegance to any space. Designed to stand alone or work together in combination, KASKAD serves as a flexible and highly adaptable planter solution. KASKAD is manufactured from powder-coated painted steel and available in 3 heights and 5 unique shapes – 1 square, 3 rectilinear and 1 parallelogram. Available in 3 finish colors – Textured White RAL 9010, Anodized Silver or Mineral Bronze – all KASKAD units come standard with adjustable glides and a removable liner for plant material. KASKAD planters are for indoor use. Designed by QDesign. Made in the USA.

Freight is Quick and Easy

Two Easy Options

There are two simple ways to price freight on your order:

1. EZ Freight:

- (a) Simply calculate 8% of the Total Order/List Price;
- (b) Note "EZ Freight" on the PO. (Available in Continental US only; minimum order of \$200 List; standard delivery applies.) Truck minimum applies.

2. Freight Quote:

- (a) Simply call us at 1-800-342-5725 and we'll calculate your freight quote on the spot;
- (b) Note "Freight Quote" on the PO

(Please refer to page 7 for the EZ Freight Program Terms & Conditions, and an example of how to calculate using this method.)

Cash Terms: Net 30 days. A service charge of 1% per month will be assessed on all past due accounts. Custom orders will require a deposit in advance.

First orders by new accounts will be on VISA, MasterCard, Discover, American Express or check in advance. Open accounts may be established upon submission and approval of three trade references and bank information.

Custom Orders: All custom orders require a 50% non-refundable deposit of the total quoted price. The order will not be processed until the deposit is received.

Non-Stock Orders: All orders for items that are not in stock may require a 50% non-refundable deposit at time of order placement. The order will not be processed until the deposit is received.

Large Orders: Orders over \$10,000 net may require a 25% deposit at time of order placement.

Mail, E-Mail and Fax Orders: Mail, E-mail, and fax are the only acceptable methods of placing orders. If a confirming order is sent, it must be marked "CONFIRMING ORDER". Duplicate orders not marked "CONFIRMING ORDER" are the responsibility of the buyer.

Order Acknowledgement: Magnuson Group will confirm the buyers purchase order.

Delays in Delivery: Magnuson Group will not be held liable for failure to ship or deliver on or by any particular date.

Freight Classification: Classification can vary greatly based upon what and how much is ordered.

Freight Terms: F.O.B. Woodridge, Illinois. Freight charges are prepaid and added to invoice at time of shipment unless 3rd party billing is specified on the order.

Quick Ship Program: Items/colors in **bold print** ship in 5 working days. Quantity is limited to 10 units or less. Quickship items must be on separate P.O. form from standard lead time items.

Title to Merchandise: Once Magnuson Group delivers the product to the carrier, title to the merchandise and risk of loss passes to the buyer. We are not responsible for loss or damage during transit. All freight claims are the responsibility of the purchaser or consignee.

Shipping Damage/Shortage Claims: All shipments should be inspected carefully on delivery, and any apparent damage or shortages noted as exceptions on all copies of the delivery receipt. Notification of shortages or concealed damage must be made to the delivering carrier within 3 days of receipt.

Claims of either visible or concealed damage should be presented without delay to the carrier by the consignee.

Shortage Claims: Shortage claims reported 30 days beyond shipment date will not be honored.

Routing: UPS or Federal Express Ground will be used where size and weight restrictions allow. On larger shipments common carrier will be used.

Order Changes: Changes to orders in process are subject to approval and to the same conditions as cancellations.

Cancellations and Returns: Orders in any stage of processing and production may not be cancelled without authorization in writing from Magnuson Group and may be subject to a 50% cancellation fee. If a return is authorized, a minimum restocking charge of 30% will be incurred, return freight pre-paid. Returned goods must be unused and packaged in original cartons within 90 days of original shipping date. Custom orders cannot be returned. Credit will be issued subject to inspection by our receiving department.

Price and Design Changes: All prices are subject to change without notice and prices in effect at time of shipment will prevail. Magnuson Group reserves the right to improve product design, construction and quality without notice. EZ Freight program is subject to change without notice.

Warranty: All products and parts are warranted against defects in material and workmanship for the period of (2) years after shipment. Warranty is void if product is damaged through accident, improper use, abuse, or alteration.

Limitation of Liability: Magnuson Group's liability for any and all losses and damages to buyer resulting from any cause shall be limited only to the replacement or the repair of the product.

For Your Convenience:
As an alternative to cash terms, we accept Visa, MasterCard, Discover and American Express.

Save on Shipping Costs:
Many items in this line qualify for United Parcel Service routing.

GSA—We are a multiple contract holder with GSA. Please contact us for information.

E-Z FREIGHT PROGRAM

Magnuson Group now offers two options for calculating freight charges.

Option One: Calculate your freight charges using E-Z Freight as follows: Add 8% of the **total order list price** for all products to calculate the freight charge.

Example: 3 OR4A @ \$655.00 = \$1,965.00
1 DS4H @ \$226.00 = \$226.00
\$2,191.00

Total List: \$2,191.00 x 8% = \$175.28

Enter this amount on your order as E-Z Freight.

If E-Z Freight is not noted on your Purchase Order, actual freight will be charged. E-Z Freight applies to the 48 continental states only. Your order must be at least \$200 list to use this program.

A minimum charge of \$145.00 for truck shipments applies.

E-Z Freight calculations are for normal dock delivery only and do not include accessororial charges, such as "Call Before Delivery", "Inside Delivery", etc. which will be billed in addition to the E-Z Freight charges. Contact Customer Service for more information.

Option Two: Contact Customer Service at 800-342-5725 for a freight quote. Note the freight amount on your purchase order.

NEW PORT

NEW PORT is a flexible, versatile tool rail system that creates clean, personal “up and off the desk” organization which can be configured in a number of different ways as follows:

- The NEW PORT tool rail is available in varying lengths to accommodate different desk sizes.
- The NEW PORT tool rail can include no privacy screen or a 15 3/8" high privacy screen made of acoustic fabric, melamine, writeable glass or opaque tempered glass.
- The NEW PORT tool rail can be mounted to the desk at multiple heights and in multiple ways.
- The NEW PORT tool rail can be used in single-sided or double-sided desk environments.
- The NEW PORT tool rail can accommodate a wide range of NEW WAVE desk accessories.

HOW TO ORDER NEW PORT

- First, configure your New Port tool rail system by referring to the Tool Rail & Screen Specification Table below [Table I].
 - Select a tool rail length and finish color [Column A].
 - If specifying a tool rail without a screen, select a cover color and identify the appropriate model number based on tool rail length [Column B].
 - If specifying a tool rail with a screen, choose your desired screen material - Melamine (and corresponding finish color), Acoustic Fabric (and corresponding finish color), Opaque Tempered Glass or Writeable Glass; and identify the appropriate model number based on tool rail length [Column C].
- Next, select a mounting setup from the Mounting Specification Table below [Table II].
 - Select a mounting height [above the desk] for the tool rail [Column A].
 - Next, select the appropriate mounting hardware for the desk and identify the appropriate model number based on mounting level [Column B].
- Finally, select your New Wave accessories from page 58 & 59 which hang off of the New Wave tool rail.

The Magnuson Group Environmental Statement

Magnuson Group recognizes the importance of being good stewards to the earth. We incorporate positive environmental processes into all facets of the company. Whether the process is administrative in nature, or is in manufacturing, Magnuson strives to ensure that environmental concerns are made a part of the system. Some specifics include:

- All steel scrap is 100% recycled
- All aluminum scrap is 100% recycled
- All wood scrap generated in manufacturing is used in energy production in a co-generation plant
- All paper and packaging waste is 100% recycled

Indoor Advantage Gold certification (SCS)

Advantage Gold certification is SCS Global Services' highest level of indoor air quality performance for meeting strict chemical emission limits for volatile organic compounds (VOCs). To be certified, products must be tested by independent labs for compliance with the ANSI/BIFMA X7.1, and either ANSI/BIFMA e.3 or CDPH/EHLB Standard Method V1-1 for VOC emissions of concerns.

US Green Building Council (USGBC)

Magnuson Group is a proud member of the US Green Building Council (USGBC), which supports the advancement of the latest in innovative building practices & minimalizing environmental impact for a more sustainable built environment.

The following is submitted as the typical use of various commodities:

- Steel - is manufactured with 30-40% post consumer material and is 100% recyclable
- Wood products - are certified to be 100% from a sustainable forest
- Plastics - are 100% recyclable
- Fabrics - are manufactured from 100% post consumer materials, and is fire rated to: ASTM E-84 Class 1 or A

We certify that there is no asbestos in any of the products we manufacture or import for sale.

- Aluminum - comes from 10-20% post consumer material and is 100% recyclable
- Packaging - comes from a minimum of 35% post consumer material and is 100% recyclable
- Paint (powder coating) - All paints used are certified to be of low VOC content < 50g per liter. They emit no hazardous air pollutants (HAP) or noxious fumes when exposed to fire NFPA 704 Health = 1, Fire = 1, Reactivity = 0.
- Imports - We import products from various countries in Europe. Most but not all are certified ISO 9001 -14001 Environmental Management Systems. Please contact us if you need further information.
- Paper - All paper and packaging waste is 100% recycled.
- Plating - Plating is kept to the absolute minimum. Our plater's meet or exceed all Illinois EPA, Federal EPA, and OSHA mandated standards; all plating is RoHS compliant. Our plating emits no hazardous air pollutants (HAP) or noxious fumes when exposed to fire.
